

## Virtual Team Bonding: Cocktail Class

Just because in-person celebrations are off the table this year doesn't mean the holidays are cancelled. Celebrate this holiday season with a virtual cooking class from the comfort and safety of your home.

Treat your team to an interactive, hands on culinary experience that's a recipe for creating culture, community and collaboration virtually in the workplace. Additionally, this can be a perfect opportunity for end of year fundraising as a way to give back to the community.

**What to Expect:** Scouting of experienced Chef's all over the world, class curation, a dedicated page on IMPASTIAMO's website featuring your private event with registration portal, employee support. Optional to provide Ingredients Kits (delivery included) and employee gifts.

**Ingredients Kits (Optional):** IMPASTIAMO will prepare and deliver kits to class participants with ingredients necessary for class. Your company's corporate shipping account can be used for delivery. Alternatively, IMPASTIAMO will send out ingredient lists and/or links to Instacart for participants to purchase on their own, at no additional cost.
